

The Colourful Scenery of Western Madagascar 09 days / 08 nights

[Click here for the detailed program](#)

This tour begins with a flight to the Western coast of Madagascar, to Morondava. From there, you will embark on a 4WD adventure that will take you to Bekopaka, where you will explore the awe-inspiring Tsingy of Bemaraha, with its sharp karst peaks, a UNESCO World Heritage site. The journey continues with a visit to the Kirindy Reserve, a dry forest adorned with towering Baobabs and home to countless lemurs, birds, and the elusive fosa. The day concludes with a breathtaking and unforgettable sunset at the famous Avenue of the Baobabs. Finally, you will enjoy a brief stay at the beach in Morondava before returning to the capital.
