ANNOUNCEMENT OF THE JOINT MEETING OF THE INTERNATIONAL PRIMATOLOGICAL SOCIETY AND THE
MALAGASY PRIMATOLOGICAL SOCIETY
JULY 20-25, 2025
ANTANANARIVO, MADAGASCAR

The International Primatological Society in conjunction with the Malagasy Primatological Society will meet from August 10-15, 2025, in Antananarivo, Madagascar. All scientific and social sessions will take place at N Convention Novotel, Antananarivo Conference Center. Complete conference information is available at the Congress website (www.ipsmadagascar.org). Registration will begin online on December 1, 2024 and will continue through the conference. All congress activities will be held at N Convention Novotel, Antananarivo.

IPS is a multidisciplinary association of approximately 1200 professionals and students whose work is focused on nonhuman primates. In the last two decades, the biennial IPS Congresses have attracted between 650 and 1600 registrants (there were 1500 for the 2016 Congress in Chicago, and 850 for the 2018 Congress in Nairobi, and 700 in Kuching, Malaysia in 2023). IPS members include veterinarians, geneticists, psychologists, physicians, neuroscientists, anthropologists, zoologists, conservation biologists, ethologists, zoo professionals, technical personnel, and field assistants; primarily from universities, NGOs, zoological parks, field stations, sanctuaries, and research facilities throughout the world. Both captive and field scientists are active members of this society, so there is great interest in data acquisition and analysis equipment and programs; tracking, navigation, and recording equipment; sanctuaries; databases; conservation efforts and organizations; research and biomedical instrumentation; books, journals and other information resources; captive enrichment devices, caging, diets, etc.

It is our hope that you will contribute to the success of the IPS Meeting by exhibiting materials from your organization. Exhibitors will be assigned space in the same areas as the posters, Silent Auction, Photo Contest, and refreshment stations. Attendees will be free to examine the exhibits at their leisure from Monday morning through Friday afternoon. Exhibitors will be acknowledged in the Congress program.

If you are interested in exhibiting materials at our Congress, please fill out the exhibitor's registration form on our conference site ([click here](#)) along with the appropriate fee, by June 15, 2025. If you have additional questions about the meeting, either now or at any time before the meeting takes place, please feel free to contact me. Finally, if you are unable to exhibit materials at our Congress, but wish to offer support for IPS, we ask that you to consider sponsoring the online streaming of the Congress or making a donation to our organization. Sponsors and donors will be specially recognized in the meeting program.
