Guided Tour outside the capital

Dates: 19th July 2025 and 26th July 2025

You will meet our team at your hotel. After completing all formalities and briefing, we will start our drive to the village of Sarimanina, located 20 km west of the city center. On the way, we will pass through Talatamaty, just outside the capital. Talatamaty Market offers a vibrant and colorful experience where tradition and daily life intertwine. As you stroll through its alleys, you will find stalls filled with fresh fruits, vegetables, and aromatic spices that showcase the island's rich biodiversity. You will also discover handcrafted goods, from woven baskets and raffia hats to beautifully carved wooden sculptures.

After our visit, we will continue on to Sarimanina Village. Upon arrival, we will have a little trekking around the village, allowing you to enjoy the scenery of a typical Malagasy community, meet local people, and observe their daily life. You will have the opportunity to visit a local handmade paper workshop, learn about the paper-making process, and purchase some souvenirs.

Lunch will be served at our lodge, a peaceful and beautiful place where you can relax and enjoy the rest of the day. At the end of the afternoon, you will be transferred back to your hotel.

End of our services.
